

**onestar press \_strictly un-edited by the publisher\_**

onestar press's technical specifications for book production

**PLEASE READ CAREFULLY**

**IMPORTANT: DO NOT USE COPYRIGHTED MATERIAL WITHOUT FULL AUTHORISATION FOR REPRODUCTION.**

**BOOK**

All the books have a standard format of 140 x 225 mm

All books are between 68 to 150 pages

Images must be prepared at 300 dpi full-size in manner that they will appear in the book (jpeg or eps files - please no tiffs)

The interior is printed in BW (oldschool newspaper quality printing - on bulk paper of 80 grammes)

Cover is in full color on 240 gram card with a standard glossy finish.

The image(s) for the cover must be prepared in CMYK

The edition size is 250 numbered copies

**MULTIPLE**

In order to help onestar press to break even with the cost of book's production, each artist is asked to produce a multiple.

Please submit multiple proposal to onestar press prior to production.

onestar press studio can assist in production and thereby cover expenses of multiple production once concept is agreed upon by both parties.

Should artist choose to produce multiple independently, onestar press must be in agreement with production to guarantee reimbursement.

onestar press studio can help the artist in the pre-press elaboration of the book (layout, scanning etc).

onestar press has no extra budget for external layout, translations, photo fees etc.

Please refer to our website to see examples of previous artist's multiples.

**GUIDELINES FOR PREPARING BOOK/MULTIPLE**

Please make sure that the material(s) used is not copyrighted.

The files have to be prepared in apple Mac.

When the files are ready we will tell you where to upload the zipped file.

Before compressing the files for the cover and interior pages please package in order to get all fonts and images in one folder per document.

Download blank files for the cover and interior pages

As the artist will sign off on a PDF proof, no printed proof will be issued prior to printing.

Color and print qualities are subject to variations due to the printing technique involved in onestar press publications.
