A black and white photograph of a street scene. In the foreground, a tall, thin metal pole stands on the right side of the frame. Attached to the pole is a rectangular street sign with a black background and white text that reads "2. Vivariumstraße". The background is filled with a dense canopy of bare trees, their intricate branches creating a complex pattern against a cloudy sky. A thin power line stretches diagonally across the upper portion of the image. In the lower-left corner, a small, partially obscured sign is visible, and a building with a striped awning can be seen through the trees in the lower center.
