We watch Karin, she watches something else.

Erwin Wurm
born: 27.07.1954
lives in Vienna

Wurm redefines the relationship between time and sculptural form. Spontaneity and brevity are key to his artistic vision, as is the idea of endless permutation and proliferation at the expense of a final, fixed form. Many works exist in the form of written or drawn instructions or as photos.

"We watch Karin, she watches something else" has been realised especially for this book.
