Disegnare un tragitto
è la visualizzazione
di un'esperienza.
È un processo
di appropriazione
che verifica
il nostro grado di conoscenza
del territorio e di noi stessi.
Una verifica
che da noi stessi
viene trasferita agli altri.

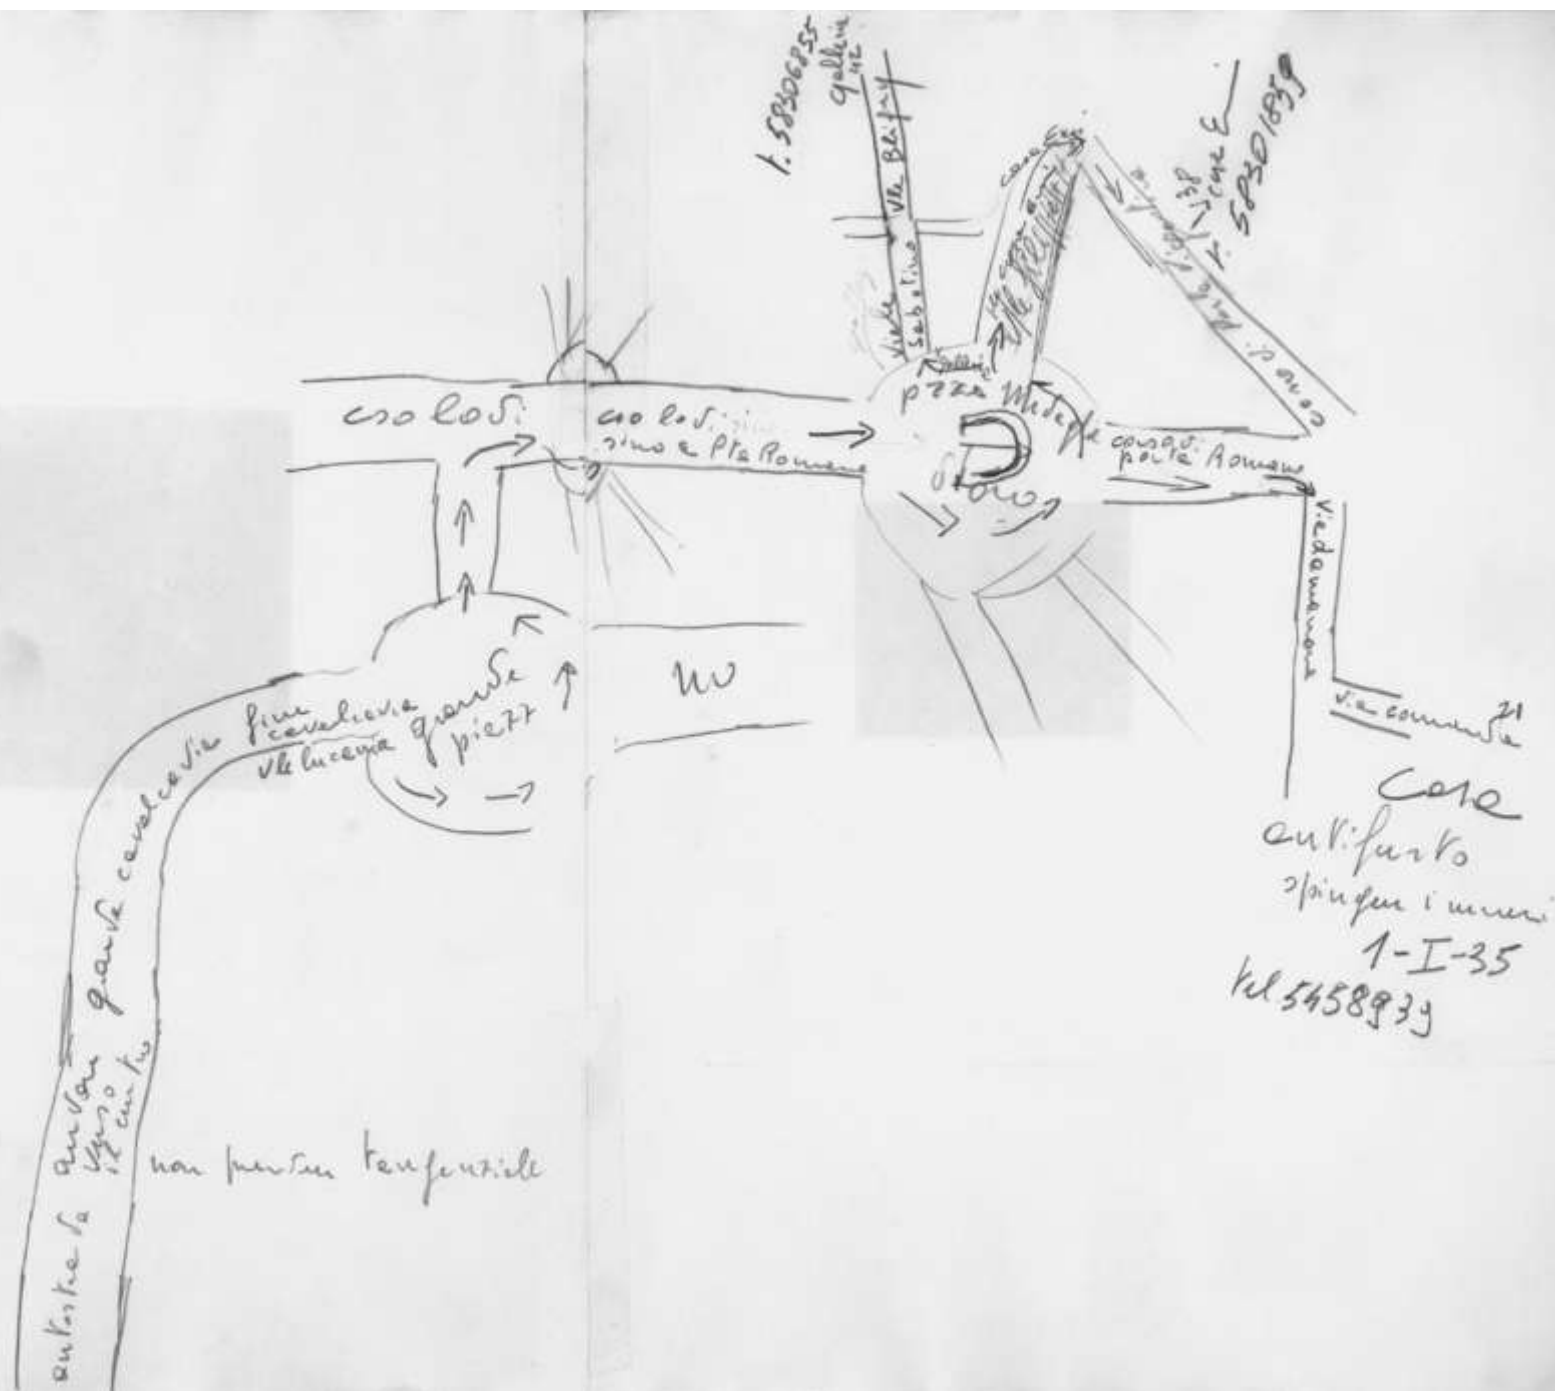

Dessiner un trajet
c'est la visualisation
d'une expérience.
C'est un processus
d'appropriation
qui vérifie
notre degré de connaissance
du territoire et de nous-mêmes.
Une vérification
transférée de nous-mêmes
aux autres.

Drawing a path
is like visualizing
an experience.
It is an appropriation process
that tests our knowledge degree
of the territory
and of ourselves.
A test
that from ourselves
is transfered
to the others.

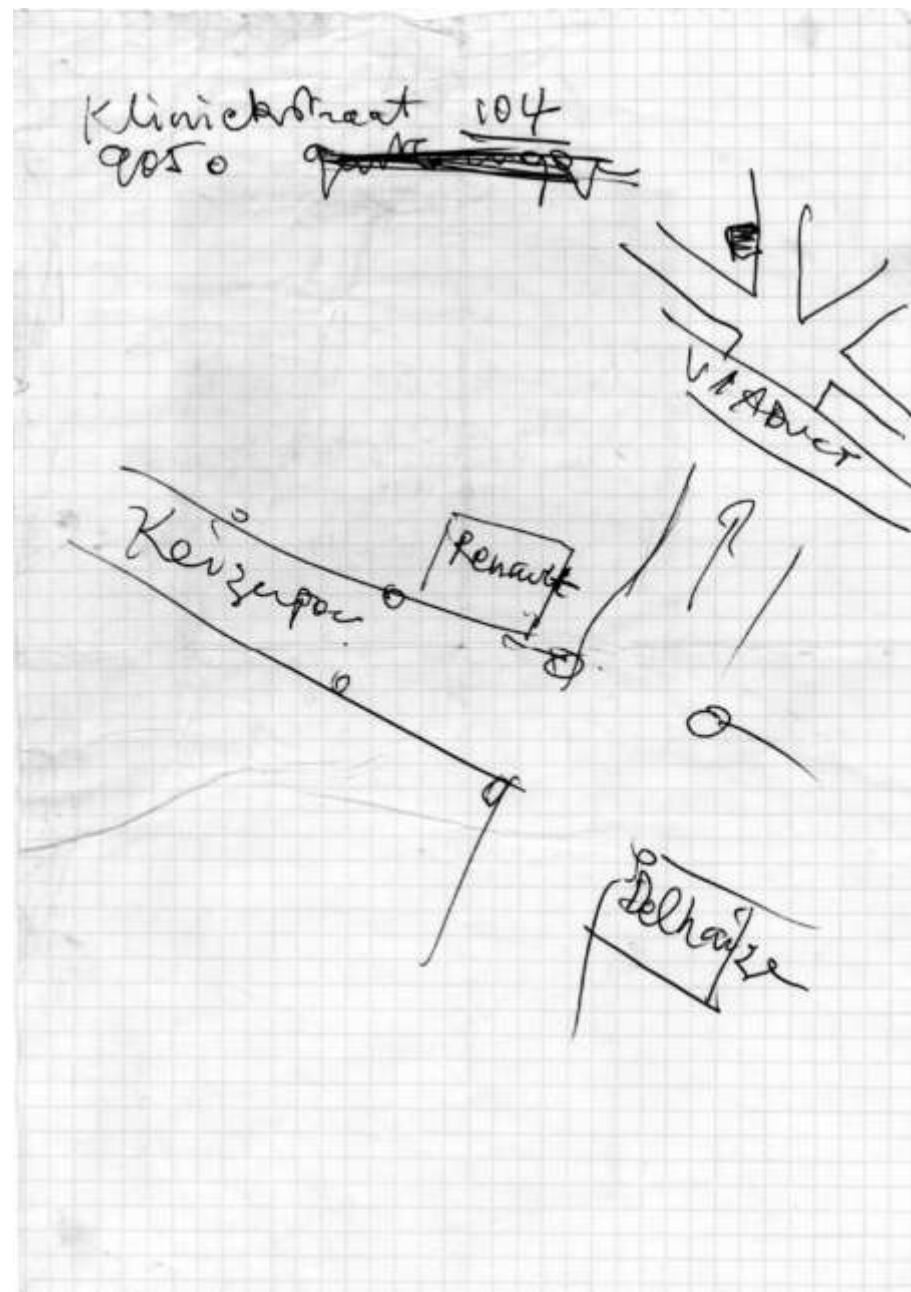

Einen Weg zu zeichnen
ist die Visualisierung
einer Erfahrung.
Es ist ein Aneignungsprozess
der den Grad unserer Kenntnis
des Territoriums und der Kenntnis
von uns selbst auslotet.
Ein Aneignungsprozess
das von uns selbst
zu den Anderen
übertragen wird
