Rules for 11931193

A two-player game on the back of this card

- 1) Each player starts by circling one dot.
- 2) Each player draws a straight line from the circled dot to an unconnected dot, without crossing any lines.
- 3) Alternate turns. Each time you draw a straight line from your last point to an unconnected point. Lines must be straight and can't cross another line or point.
- 4) If your opponent can't draw a line, you win!
