نقاشی ام زمانی تمام می شود که با مدادی رنگی خط و مرزهای جدی آثارم را مخدوش کنم و به شوخی بكشانم. درست اينجاست كه به أصل تاريخ نزديكتر مي شوم.

می سرازیر شده در دل تاریخ به دنبال واکاوی روابط بین انسان ها هستم. نگاهم برگرفته از طنزی است که در بطن اساسی ترین ارتباطات اجتماعی رخ نمود می کند. طنزی که می خنداند و بعد چشمانت را خیره می سازد به نقطه ای بدون تعریف.

ی ر . . می . رک . رک . رک . می . می . می . می . می . مجموعه جدید نقاشی هایم تمبر نیستند، استفاده تصویری از حاشیه تمبر بخاطر ارزش گذاری مفهومی . است که برحوادث تاریخ دارد. به نوعی، حاشیه گلدار به عنوان چاشنی تصویری بر روی متن اصلی کار، چالش محتوایی و بیانی ایجاد می کند.

پ ص ر یک ر ... گی ... سعی دارم تلخی تاریخ را در پشت لایه های طنزش پنهان کنم و به نوعی تزئینش کنم تا جذابتر به نظر بیاید. بی هیچ دخل و تصرفی قیمت ها را روی حاشیه کارم می گذارم. این ارزشی است که از قبل تعیین

من برای تغییر این ارزش گذاری بارها سبیل های ناصرالدین شاه را تراشیدم و برای احمد شاه گذاشتم و این همه جسارت و جرأت فقط ۲ ریال بر ارزشش افزود.

ایی صفحه جسارت و جرات کست روی بر ررسس مرود. در میان این حاشیه ها می شود افتخارات بزرگ را به ریالی خرید و فروش کرد. من در آخرین خرید موفقم، کاخ سفید را با حاشیه ای تزئین شده به رنگ طلایی فقط به قیمت ۱ دلار

My paintings are only finished when; I jokingly start to alter their outlines with colored pencils. It is at this same time, which I feel closest to the very essence of history.

Painting was never meant to change history. Instead, it picks it up and takes it into its own hands, molds it, throws it up and down, tickles it and then throws back it to the ground. A painting narrates and criticizes history from its own point of view.

I have slid into the heart of history to re-investigate the relationships between people. My standpoint is an outcome of humor that stems from the most basic social interactions. A humor, which makes you laugh and then locks your gaze towards an indefinable spot.

My new collections of works are not stamps. This visual usage of stamp borders is for their implication to the conceptual evaluation of historical events.

In a way, the floral borders become a visual relish added to the original ingredients of the work, creating a contextual and expressional challenge. My attempt is to hide the bitterness of history under layers of humor. In other words, I sugar coat it to make it more appealing. The price of the works is placed on these floral borders without any interference on my part. This is the perceived value, which has been appointed.

Many a time, have I shaved off Nasser al-Din Shah's moustache and put it on Ahmad shah's face so that this evaluation might be reconsidered. Yet, to no avail, for all my daring audacity, it only resulted to a mere 2 Rials being added to the original price.

It is in these very margins that proud accomplishments are bought and sold in currency. On my most recent successful purchase I was able to buy a "White House" embellished with a gold margin for only a dollar.
