خیلی از ما ها دست کم به دشمن داریم و در کل داستان دشمن خیلی برامون جدیه تا جاییکه بدبختی ها، دشمن شادمون میکنه و بعضی چیزامون دشمن کشته! و به کوری چشم دشمنمون علاقه خاصی داریم.

دشمن آنقدر جایگاهش پیش ما خاصه که حتی بعضی دشمن ها (دانا) از بعضی دوست ها (نادان) بهترن و دشمن دشمن ما دوست ماست.

بعضی از ما ها دشمنمون رو دست کم می گیریم و بعضی هامون اونا رو خیلی بزرگ می کنیم و بعضی از ما ها اصلا برای بقامون نیاز به دشمن داریم پس کلی دشمن تراشی می کنیم! حالا این دشمن ها کین و چه شکلین، چرا با ما دشمنی می کنند؟! اصلا وجود خارجی دارن؟ من سعی کردم تو این نمایشگاه دو گونه دشمن رو نشون بدم، دشمن خیالی در قسمت حجم ها و دشمن فرضی در قسمت عکسها.

حسن رازقندی، خرداد ۱۳۹۱

Some of us have at least one enemy! We think that our miseries might satisfy our enemies or our successfulness might make them weak. We take this enemy story very seriously as we have too many proverbs about them such as: "An intelligent enemy is much better than a stupid friend!" and "The enemies of our enemies are our friends!"

Some of us underestimate our enemies and some of us overestimate them. Some people need enemy to survive so that they start making enemies and if they don't succeed they start to imagine having them!

By the way, who are these enemies? Why do they try to defeat us? Do they really exist?

In this exhibition I try to show two kinds of enemies: imaginary, in the sculptures and hypothetical, in the photos.
