یه شب پاییزی دورو ور دوازده شب بود که داشتم از کافه مهتاب برمی گشتم خونه، بد از یه روز گالری گردی.
سوار یه اتوبوس شدم که چند تا مسافر بیشتر نداشت و تو قسمت خانم ها هم هیشکی نبود. رفتم عقب اتوبوس برا خودم نشستم و شروع کردم به نگاه کردن آدمایی که فقط پشتشون به من بود. آدمایی که یا خوابشون برده بود یا اینکه داشتن بیرون رو نگاه می کردن، البته دو نفر داشتن با همدیگه حرف می زدن.
می دونین، به نظرم حس خیلی خوبیه که بتونی آدمای دیگرو بدون اینکه کنترلی روت داشته باشن نگاه کنی، جستجوشون کنی و بهشون فکر کنی. یه کنکاش سطحی و فردی که میتونه به یک جستجوی عمیق و اجتماعی تبدیل بشه.

It was an autumn night, around midnight. After spending a day in galleries I was on my way home from the Mahtab Cafe`.

I got onto a bus which had a few passengers and I sat on the last seat, and started looking at the passengers of whom I just could see their back of their heads. Some of them had fallen asleep, some were looking out and two of them were talking together.

I believe it's really superb that you are able to watch people who have no control on you. By doing this you can probe into their character, think, search and analyse them. Actually it's like an individual and shallow search which could be transformed to a collective and deep one.
